FORT BENNING – Families and friends will farewell 13 Soldiers assigned to the 926th Preventive Medicine Detachment, 14th Combat Support Hospital at a deployment ceremony at 11 a.m. July 13 at the Sightseeing Road Chapel.

While the Soldiers are deployed, they will provide preventive medicine support to minimize health threats in their assigned area. This will include conducting water, air and soil studies and pest management and control.

During the deployment, the 926th will also help train Iraqi personnel in preventive medicine techniques.

This will be the unit's second deployment in support of Operation Iraqi Freedom.

For more information, call the Public Affairs Office at (706) 545-3512. After duty hours and on weekends, call (706) 545-2218.
